A night scene at an outdoor event, likely a festival or art installation. The scene is illuminated by numerous glowing spherical lights in various colors, including blue, green, and yellow. In the foreground, a young girl in a striped shirt is reaching up towards a glowing light. To her left, a woman is pushing a stroller with a child inside. Other people are visible in the background, some looking at their phones. The overall atmosphere is festive and interactive.

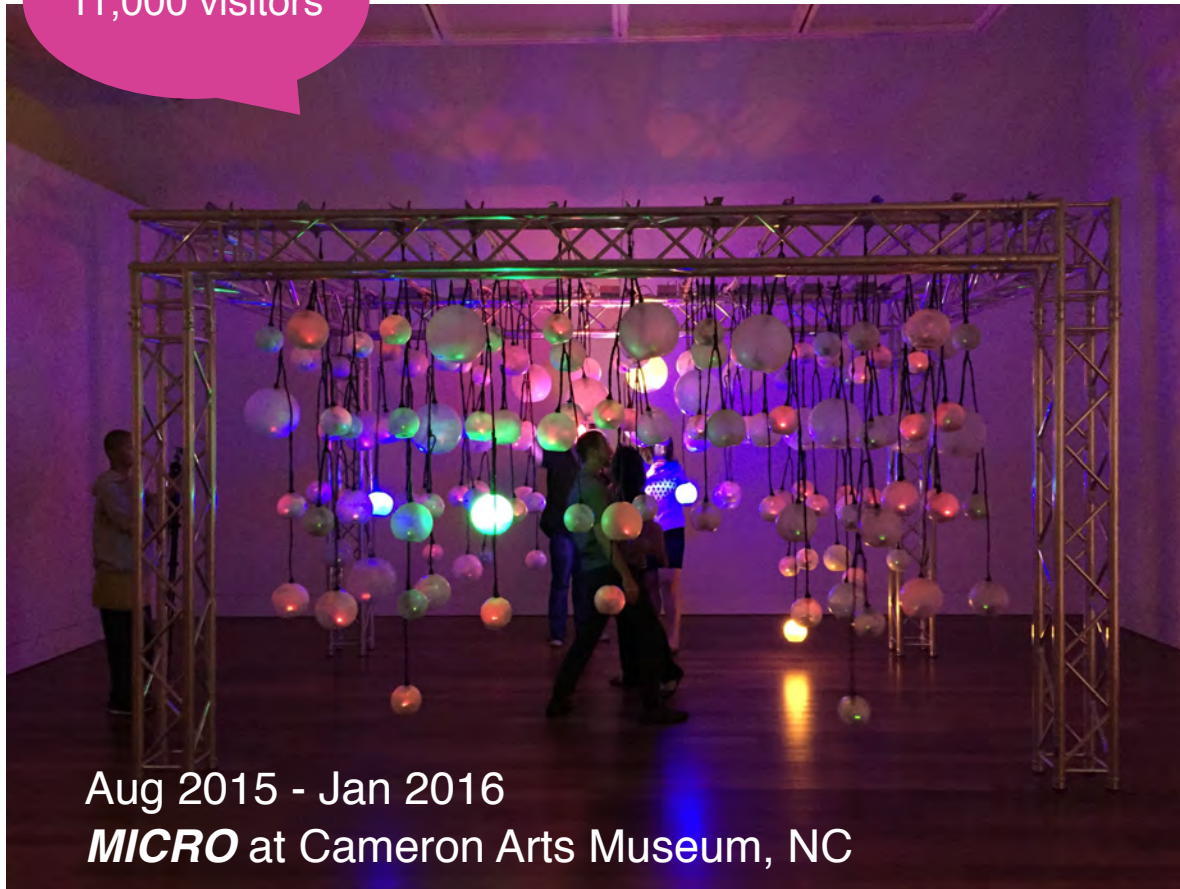

Purring Tiger's mission is to bring people together in the context of ART, in a subtext of WONDER. We use technology to intertwine the human body with sounds and visuals, and foster interaction. On July 7, 2015, we became a 501(c)3 non-profit organization, in order to further our mission. Since
